TECHNOLOGY CENTER 2800

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Restriction Requirement of February 7, 2003,
Applicants make the following election.

Restriction was required between the Group I, set of claims 1-6 drawn to a
device with a starter/generator and the Group II, set of claims 7-14 drawn to a
method of operating a device with a starter/generator.

Applicants elect for prosecution the Group II, set of claims 7-14 drawn to a
method of operating a starter/generator.

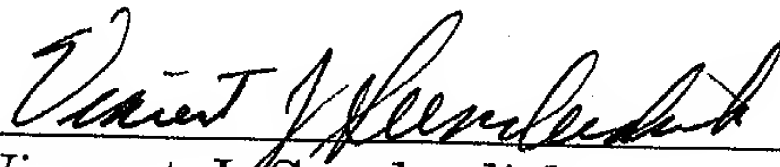

Applicants hereby request a full and thorough examination on the merits
of this application.

If there are any questions regarding this response or the application in
general, a telephone call to the undersigned would be appreciated since this
should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #225/50424).

Respectfully submitted,
